~~TOP SECRET~~

DIRECTOR OF CENTRAL INTELLIGENCE
Weapon and Space Systems Intelligence Committee
4 April 1984

MEMORANDUM FOR: See Distribution

FROM: Chairman

SUBJECT: Deficiencies in Knowledge [REDACTED]

25X1

1. The attached study is the 1984 update of the Weapon and Space Systems Intelligence Committee's "Critical Intelligence Deficiencies" study. The format of this year's study has been revised and addresses deficiencies in collection, processing, and analysis. The WSSIC has identified the top five deficiencies for each of the areas within its purview. In addition, the deficiencies in many of the intelligence source areas have been identified and discussed. [REDACTED]

25X1

2. We welcome your comments and suggestions to this year's report. Please keep me informed of your actions or initiatives which could impact these deficiencies. I can be reached on [REDACTED]
